

Task Eight – Computer versus Hand drawn

You produced some hand drawn designs and some computer designs. Write a report that covers the following points:

- Why did you create draft designs and computer designs
- Which method was the easiest and why
- Which produced the best quality results for the job and why?
- What were the difficulties when you were doing your hand drawn designs?
- What were the difficulties when you were doing your computer designs?
- What were the benefits of doing hand drawn designs?
- What were the benefits of doing computer designs?

Time Target: 1 lesson
