

### **Task Three – A Business Card**

Create three business card designs that incorporate the logo from Task Two. Again these should be produced on squared paper and have clear justification of styles used in relation to the business

Squared paper and colours are available for this task. Clearly describe each one on your squared paper

Choose one design to create electronically (screen capture development) and justify your choice of design over the other two

This report should be done on word

Items covered from the mark scheme:

***Create a piece of work using a computer***

***Show how development matches purpose of the work***

***Derive your own information***

***Use formatting techniques***

***Use editing techniques***

***Experiment with Layouts***

**Time Target: 1 lesson and 1 homework**
