Dear Parent/Carer

17 January 2011

Year 10 Options 2011

The option process starts with the issuing of option forms and booklets on Wednesday 13th January.

Students will be listening to option talks during assemblies during the term. This is so that your child has an understanding about each subject, particularly unfamiliar ones such as Business Studies, Health and Social Care, Media, Outdoor Pursuits and Travel and Tourism.

You will receive your child's report on Friday 11th March, and all subject choices should be made, and the forms returned, by Friday 18th March.

In order to help with the options process, I would like to invite you to an options evening on Thursday 27th January.

There will be the opportunity to meet department representatives to discuss subjects in more detail between 7pm and 8:30pm.

During the evening there will be a short talk for parents and students in the S band in the school hall, at 7:45pm which will explain:

- the options process,
- the pathways that are available to students and the benefits of each
- the options available post 16 from each pathway
- the qualifications available (GCSE, BTEC and diploma)
- the form that the students will be completing

(Parents and students in K band will have the same talk at 7:00pm).

I look forward to meeting you on the 27th.

Mark Hunter
Assistant Head
